World NTD Day 2024

Members of the Nigerian Association of Dermatologists celebrated World NTD Day, which takes place every year on January 30th, by creating awareness in collaboration with the Nigerian Medical Association with a webinar, as well as radio and social media discussions about Neglected Tropical diseases, particularly skin-related NTDs.

NMA NTD Webinar Series

NAD monthly webinars

NIGERIAN ASSOCIATION OF DERMATOLOGISTS (NAD)

Monthly WEBINAR SERIES

TOPIC: THE USE OF TELEDERMATOLOGY & AI IN COMMUNITY DERMATOLOGY

PRESENTER:

Dr. Chitolakemi Cole-Adeife
Consultant Dermatologist, LKSUTH

MODERATOR:

Dr. Perpetual IBEKWE
Consultant Dermatologist, Ushaka Teaching Hospital

Date: Thursday, 29th February, 2024
Time: 5.00 - 6.00p.m
Zoom

NAD Webinars are held in the first quarter of the year, with discussions on therapeutic agents available to dermatologists and the use of teledermatology and AI in community dermatology. The discussions were insightful and valuable.

AMERICAN ACADEMY OF DERMATOLOGY ANNUAL MEETING

NAD was well-represented at the Annual Meeting of the American Academy of Dermatology, which took place in San Diego, USA, by Dr Ehiaghe Anaba, Dr Erere Otrfanowei and Dr Chisom Ogu. Dr Ogu was awarded the prestigious Strauss and Katz Scholarship to attend the meeting.

Adieu, Prof. Anezi OKORO

With gratitude to God for a glorious life well spent, NAD mourned the demise of Professor Anezi, a foremost dermatologist and renowned writer, who passed away at the ripe old age of 94 years. He was a father of dermatology in Nigeria, having trained many senior dermatologists and authored landmark research publications. He was survived by his wife, children, grandchildren and great-grandchildren.
